# Qwirkleversary

In 2026, we are proud to celebrate a major milestone: Qwirkle's Qwirkle-versary!

This year marks over **8 million** copies **sold worldwide**, highlighting the game's enduring popularity and broad appeal. It also commemorates the 15th anniversary of Qwirkle winning the prestigious **Spiel des Jahres**, Germany's highest and most respected board game honor.

Since its debut, Qwirkle has brought **families and friends together** around tables **across the globe**, demonstrating that simple rules, thoughtful strategy and strong design stand the test of time. Its continued success reflects the passion of the global board game community and the strength of a truly classic game.

We are incredibly grateful to our fans, retail partners, sales representatives, licensors and industry supporters who have contributed to Qwirkle's remarkable journey and helped make it a modern classic.
